Spoil your friends and family with Guylian's egg-citing new Belgian chocolate gift ideas this Easter

Guylian, the world's favourite Belgian chocolatier, has created beautiful new-look packaging for its latest range of Easter gifts which will delight your eyes as well as your taste buds! Easter is the perfect time to explore Guylian's world and discover just why it is famous for its trademark artisan roasted hazelnut praline. Using only the finest hazelnuts from the best Mediterranean growing regions, the nuts are gently roasted and caramelised in the traditional way before being blended with true Belgian chocolate to create the deliciously smooth irresistible Guylian praline. See Guylian's beautiful new Easter 2010 range below, perfect for sharing or treating yourself!
