Spoil your Mum this Mother's Day with a box of Guylian Chocolates

Show your mum how much you care and appreciate her this Mothering Sunday (14 March). Give her the day off and invite her to kick back with a box of beautifully presented, mouth-watering chocolates from Guylian, the world's favourite Belgian chocolatier.

Guylian Praline Sea Shells

Guylian's signature Sea Shell chocolates are a real classic. Made using only the finest, hand selected Mediterranean hazelnuts, which are roasted and caramelised to perfection before being blended with premium Belgian chocolate; a box of these is certain to win you brownie points this Mother's Day. Guylian Praline Sea Shells are available in a 250g box (RRP £3.99) from all good supermarkets.

For any more information on the wide range of chocolates that Guylian has to offer, visit the website <http://www.guylian.co.uk/>.
